Gymnasts will get 4-4.5 hours (3.25 hrs for half day campers) of instruction on all Olympic events each day with our NCCP certified coaches!

They will be split into groups based on age and level. They will also get progress reports at the end of the week! *(full day campers only)*

This is your chance to get extra time on each event and really master those skills you want to learn!!

The remaining hours will involve a combination of games and crafts.
